We can take the call in my office. I only have four guest chairs so if others are going to join us then we may want to take the call in your office.

I just realized I made a mistake with a couple of the times. Jae is not available at 11am or 2pm. Would 1pm work for everyone?

All 3 times work for me.

Hi all,
We'd like to touch base some time today (Monday) regarding the timing of
the biological and environmental sampling for the Hwy 36 investigation.
Here are some times that would work for us: 9am, 11am, 2pm. Would any of
these work for you?
